Description:

They are the worlds gravest super-villains: Ultraman, Owlman, Superwoman, Power Ring and Johnny Quick—the legendary Crime Syndicate of Amerika! Nothing has ever seriously threatened the global corruption they proudly enforce, but now a twisted mirror image of the CSA has arrived

from the flip side of reality. Can anything stop this so-called "JUSTICE LEAGUE," or will the stable, perfect evil of the Earth 2 fall victim to the tyranny of law, righteousness and freedom?

When it comes to Grant Morrison, he's the Alan Moore of the modern age. He breathed new life into the X-Men for Marvel, as well as Animal Man and Doom Patrol for DC/Vertigo, and of course, JLA for DC. Earth 2 finds Morrison once again writing DC's superteam as Superman, Batman, Wonder Woman, the Flash, Green Lantern, Aquaman, and the Martian Manhunter get their world rocked when Alexander Luthor makes a visit. On his alternate world, he's the only hero, and the JLAs evil alter-egos, the Crime Syndicate of America, have total control. In response to Luthor's pleas, Supes, Bats, Wonder Woman, Flash, and Green Lantern plan to overthrow the evil empire, but as they soon find out, things aren't so easily done in this alternate world. Morrison has taken the classic pre-Crisis Earth 2 world and used it brilliantly here, making Ultraman, Owlman, Superwoman, Johnny Quick, and Power Ring some of the most evil and colorful villains you'll ever see. Morrison's longtime partner in crime Frank Quitely provides his usual superb art here, so longtime Morrison fans know what to expect here. All in all, Earth 2 is one of, if not the, best JLA yarns you'll ever check out, and it's easily one of Morrison's best superhero stories.
