Description:

Have You Ever Wondered How We Really Came to Be on Earth? And God said, Let us make man in our image... Many of us were taught bible stories as children, indoctrinated by the beliefs held by the elders around us, who had been indoctrinated by the elders around them. Have you ever wondered if maybe they were wrong? Who Put People on Earth? is an informative booklet by world renowned author Timothy Aldred that pulls back the veil on the Genesis creation story and reveals what really happened in the beginning.. This is not one to miss! Inside readers will

learn: Evidence the Genesis creation story was borrowed from pre-existing Sumerian mythology
Who the creators of mankind really were
The truth about the origin of the bible, and much more!

There is much controversy around Darwinism and The Bible, and everyone believes what they chose to believe. This book has a lot of factual information and personal ideas about how people really came to be on Earth. It is completely fascinating and a thought provoking read. I would recommend this book as a mind opener and to get your thoughts rolling on this controversial issue.
